**RESUBMISSION OF RESPONSE**

Dear Sir:

On November 12, 2001, an Amendment after final rejection and Notice of Appeal was mailed in the above-referenced application. Applicant has yet to receive a reply to this response. However, given the mail delays, this is perhaps understandable. Applicant is now resubmitting its earlier filed Amendment and Notice of Appeal by facsimile. Should there be any remaining issue, applicant would appreciate a telephone conversation if the examiner believes it could potentially resolve issues. Applicant would ask for a prompt indication of the withdrawal of the prior rejection.

Respectfully Submitted,

  
CARLSON, GASKEY & OLDS, P.C.
